STAGES 1,2,3,4 ZONE 5 CLAREMONT Loadshedding

Stage1: All the green times

Stage2: All the green and blue times

Stage3: All the green, blue and orange times

Stage4: All the green, blue, orange and red times

Reduce power now to avoid load shedding.

Switch off pool pumps and geysers now
in order to reduce impact.

Use less electricity during peak time

Adjust air conditioners to 23°C or keep them off.

Use minimal fridges

Use a microwave instead of an oven to cook
